Gig Harbor Net Sheds, Mojean Net Shed
(Tarabochia Net Shed)
2788 Harborview Drive
Gig Harbor
Pierce County
Washington

HAER WA-186-Q

This shed was built in three phases. Mojean constructed a building along the shore for a skiff-making business ca. 1907. Tarabochia added a net shed ca. 1942-1943 and another one to the north in 1961.

INDEX TO PHOTOGRAPHS

WA-186-Q-11	Detail of waterfront deck with nets and power block.
WA-186-Q-12	Interior of north shed. Temporary fisherman's quarters (at right) was built on the deck prior to being roofed over in the 1960s.
WA-186-Q-13	Detail of posts, beams, and rafters. South building used log construction. The north building shared the south wall and used dimensional lumber for its roof and north wall.
WA-186-Q-14	Detail of folk art wall hanging made from net floats and rope.
